

Series 51

Commercial / Domestic Tracking System

Suitable For S-Wave or Conventional Curtains

Oslo Series 51 is a strong commercial/domestic tracking system suitable for domestic and heavy use areas such as hotels, motels, and clubs etc. Dimensions of 20mm x 16mm in 6 metre lengths, it is designed for use with heavier curtains with conventional freewheeling roller carriers or S-Wave Curtains.

Oslo Series 51 can be bent at 100mm, 250mm radius or curved to suit most applications as a hand drawn track only, cord drawn on a straight track only. A comprehensive range of bracketing helps solve the most difficult installation problems.

Available in custom made to measure or as bulk componentry in White and Silver & Black powder coat..

S-Fold Layout Options

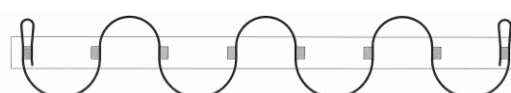

OPTION 1. Simple System

Simple System "A" Clear Wave Tape

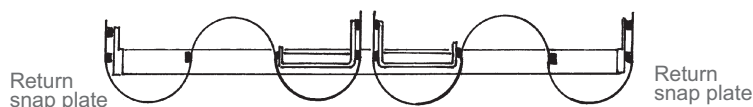

For the Clear Wave Tape the curtain does not return onto the 1st or Last Hook.

Simple System "B" Snap Tape

For the Snap Tape the Tape wraps around the 1st & Last Pendant.

OPTION 2. Using Return End Plates and Butt Master

Both ends return along the end snap plates. The drapes meeting in the centre are both facing each other giving a neat finish

OPTION 3. Cord Drawn
