

Series 57

Fineline Tracking System

The clean lines of the Series 57 Fineline Track refined and discrete.

Suitable for both S-Wave and conventional Hand Drawn light to medium curtains. This track type is used in both Commercial and Domestic applications all over the world.

Can be bent at a 100mm Radius or continuous curve.

Maximum fabric weight 8kg per metre.

Available in White with other colours to be introduced as demand increases.
