

Series 74

Venice

Series 74 - Venice - Modern stylish European C-Section tracking with the Italian "Easy Clip" brackets and covers.

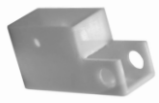

This Versatile track can be Cord or Hand Drawn and bent to a 150mm Radius. Available with UV resistant low friction gliders or wheeled carriers.

Choice of internal end cap or external end cap with hanger. The face fix bracket connects to the draw wheel as an end return bracket on cord drawn tracks.

Track dimensions are 11 wide x 24mm high. Suitable for both S-Fold and conventional light to medium weight curtains in both domestic and commercial applications.

Currently available in White, Platinum and Birch White.
