SERIES 67 SIENA

le tracce più eleganti

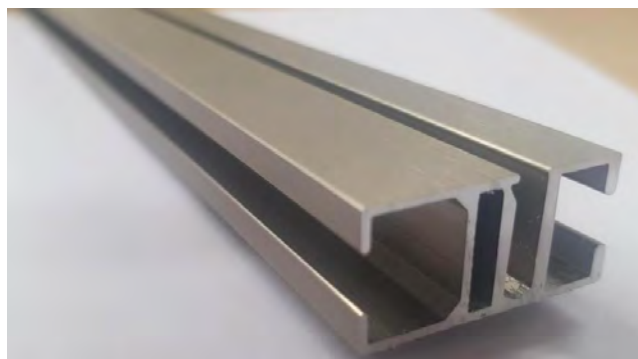

This modern tracking system is bound to be a trendsetter with its sleek aluminum finish and 35mm x 17mm fascia.

Perfect for all modernistic décor, this track comes with the choice of two bracket styles. The Siena bracket offers a sophisticated, yet artistic finish to the Series 67, whilst the Series 74 brackets offer a cleaner, more minimalistic view, with cover plates to hide all screws.

The Siena can be used in both commercial and domestic applications and is suitable for either S-Wave or conventional curtains.
